The Kureha Group conducts fair and open procurement activities both domestically and internationally. We prohibit restrictions on free competition and bribery, and ensure transparency of procurement activities through appropriate procedures.

We select our suppliers fairly, based on a rational economic analysis of quality, price, supply capability, technical capability, and other capabilities and reliability, as well as initiatives to improve the global environment and social sustainability.

3. Cooperation with suppliers

The Kureha Group collaborates with suppliers to continually maintain and improve quality, preserve the global environment, and respect human rights.
